Claims 17 and 31 have been amended by the amendment dated January 16, 2004.

Claims 17-35 are pending for examination.

Applicant's response, particularly pages 9 and 10, have been considered by the examiner and is found persuasive. As such, the remaining 112, first paragraph, rejection has been withdrawn by the examiner.

Claims 17-35 are therefore allowable.

For the completeness of the record, the examiner acknowledges the preliminary amendment dated April 30, 2001 has been entered. However, the cross-reference information, as updated by the preliminary amendment is not complete, since the statuses of the parent cases of the as-filed application have been changed.

Thus, for the purpose of formality only, the examiner's amendment is indicated as following:
